LEVELS OF GOVERNMENT

FEDERAL

The federal government of the United States is the national government of the United States. The federal government is composed of three branches: legislative, executive, and judicial.

LOCAL

Local government is lower than state government and has the authority to determine and execute measures within a restricted area inside a state

STATE

State governments are at a level lower than the federal government. Each state's government holds legislative, executive, and judicial authority over a defined geographic territory.

A stylized map of California is shown in black. A yellow brushstroke highlights the northern portion of the state. The text 'MEASURE C' is written in white, bold, sans-serif capital letters within this yellow area. Below the text are two thin, white, curved lines. In the top left corner, there are thick, black, hand-drawn scribbles. In the top center, there is a cluster of small yellow dots. In the top right, there are several short, white, diagonal lines.

MEASURE C

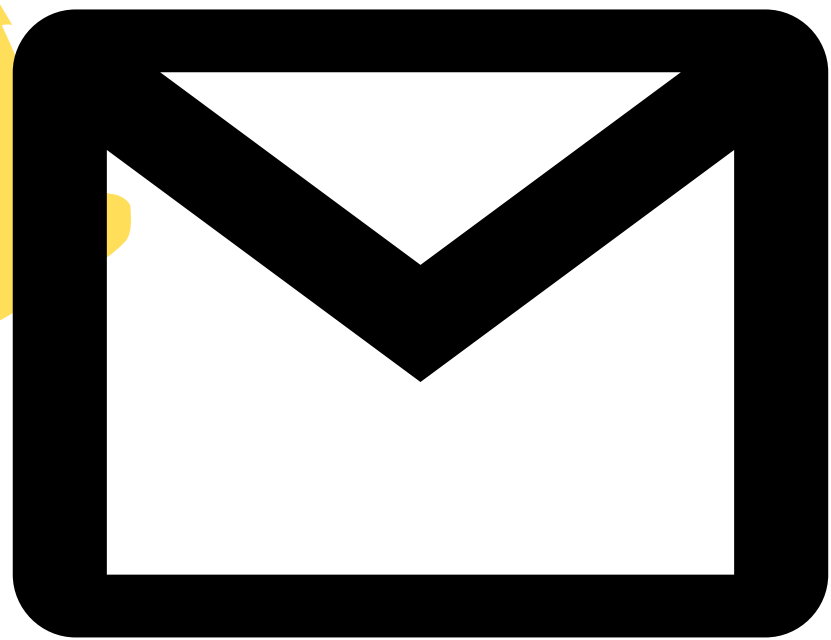

Marijuana Tax for
Unincorporated Areas

The background features a large, dark, irregular brushstroke shape on the right side. In the top left, there are several yellow dots of varying sizes. A thick, black, wavy brushstroke is positioned in the upper left corner. The text 'MEASURE A' is written in a white, bold, sans-serif font on a yellow rectangular background. Below the text are two thin, white, curved lines.

MEASURE A

Removal of Sheriff for Cause
Amendment
